August Batch

Who are we

Growtechie is a community focused on empowering tech enthusiasts, particularly those from tier-3 colleges, by providing practical knowledge and hands-on experience beyond just certifications. Our mission is to close the gap between tier-1 and tier-3 students, offering an immersive learning experience through live sessions and real-world projects. We aim to ensure that learners not only understand the material but also grasp its real-world relevance.

At Growtechie, we believe in the democratization of technology. We're committed to shattering barriers and closing the knowledge gap, enabling every student, regardless of their educational background, to succeed in the tech industry. We reject the conventional e-learning model that prioritizes certifications over actual learning. Instead, we foster a learning environment where authenticity is valued, and curiosity is encouraged.

Our vision is to use education and technology to drive growth, innovation, and collaboration in the digital world. We're on a mission to bring awareness, ignite passion, and equip students with the tech skills needed to compete globally. Growtechie is more than just an educational platform—it's a movement to democratize tech and empower every student to achieve success in the digital age. Join us in this journey to rewrite the rules and conquer the digital world.

We believe that a good start is half done. That's why we're committed to helping our interns start strong and develop the skills and experience they need to finish even stronger. Whether you're just starting your journey or Looking to take the next step in your career, our internship programs can help you get there. Join us and discover the power of a strong start." We are always open to help you to take the next step in your career!

About the Internship

● Seminar/Guidance :

This internship will provide you the opportunity to work under guidance and chances to attend several interactive sessions.

● Achievement Certificate :

Once you successfully complete the internship completion certificate will be awarded.

● Open Work Opportunity :

Once you get the completion certificate you can also get a chance of a Multicultural and diverse working environment available for interns.

● Basic requirements :

You'll use your own computers with internet connections and coordinate with your team members through Discord and LinkedIn.

Unpaid Internship :

An unpaid internship is an opportunity for students or individuals to gain valuable work experience in their field of interest without receiving a salary. It usually lasts for a specific period, and the intern is expected to learn new skills and gain practical experience under the supervision of mentors.

● Flexible working hours :

Working from home during an internship requires self-discipline, time management skills, and a strong work ethic. While the tasks assigned may be easy, it is essential to approach them with diligence and professionalism to make the most out of the internship experience.

Requisite task for Intern :

You are required to accomplish a MINIMUM of 2 TASKS from the list which will be assigned to you provided within your internship program.
